Please Read: Dues must be current. You are planning to breed your bitch in the upcoming year. If part way through the year, you decide to breed, contact the Membership chair with your information to meet the criteria and fee, then your name will be added to the list.

Breeder must be a participating member of BMDNCNI for at least 2 years and a voting member for 1 year.

Pet puppies **will** be sold on a spay/neuter contract and limited registration. All litters **will** be registered with the AKC. Breeders and Stud dog owners shall accept responsibility for all puppies they produce.

Parents of litters **should** be DNA profiled.

Club **strongly recommends** OFA/Penn HIP evaluations of hips and elbows.

Club **strongly recommends** current eye certification, testing for vWD or clear by parentage, a cardiac evaluation and DM testing.

Club **strongly recommends** test results be entered into Berner-Garde.

Breeder **should** have exhibited in an AKC or BMDCA show or trial within the last 2 years.

Complete this form and pay \$100 fee each year.

Breeders who do not have puppies available **should** refer potential puppy buyers back to the BMDNCNI breeder referral list.

Breeders are **required** to attend 2 general meetings per calendar year and chair one event, being in attendance or work on two committees. Secretary will verify that these requirements are met before breeder is placed on the breeder referral list.

The Breeder Referral list will also carry the following disclaimer: The BMDNCNI does not endorse, guarantee, recommend, or otherwise approve any particular breeder or guarantee or accept any responsibility for the health, temperament, or any other aspect of the dogs sold by the participants. The BMDNCNI does not inspect, monitor, or regulate the breeding or business practices of its members who are breeders. Moreover, it does not become involved in resolving disputes between the participants and their customers. The BMDNCNI strongly encourages all buyers to carefully document, in writing, all representations, promises, statements, warranties, and guarantees made by sellers of Bernese Mountain Dogs. The seller should sign such documentation or provide a purchase contract that covers the same provisions. The seller should also proceed to fulfill his/her obligations throughout the life of the dog.
