## **PRESIDENT'S MESSAGE**

*Welcome to the 21<sup>st</sup> and 22<sup>nd</sup> BMDCNI Independent Specialties! We are thrilled to finally be together at the wonderful venue, Weitendorf Agricultural Education Center at Joliet Junior College. We are excited to host the show and see your beautiful Berners in conformation, obedience and rally. Of course, we couldn't have a show without you! Thank you for being a part of this year's shows.*

*A huge thank you to Debbie Thornton, our Show Chair. So much goes into making a specialty, and thank you to all you behind the scenes. Your generous gift of time is appreciated by all. Thank you to Cherie Bond, our Raffle Chair and Trophy and Ribbons Chair "100 Bottles of Wine on the Wall" How fun is this! Your endless dedication and energy is appreciated. Thank you also to her co-chair Erica Hartt. Thank you to Christina Reedy for organizing our grooming requests and for making sure everyone can see our catalog ads. And lunch! Thank you, Susan Harmison, arranging the lunch pre-orders.*

*We cannot have a show without a set up and clean up! Thank you to each of you who were here this week bringing this show to life. A big thank you for those who will step up to help take down the show on Sunday afternoon. If we work together, we can make quick work of the clean-up. It's Halloween! Grab a broom! Thank you in advance.*

*The BMDCNI wishes to thank several people for helping make our beautiful trophies this year. Tori Pinkas constructed the bum shammies for Saturday's major trophies and Erica Hartt did the grooming spray bottles. Loyal Bouaoun generously donated her time and talents to painting Berners on our pumpkin trophies for Sunday. Mary Garbe gave us permission to use her sitting Berner artwork also on Sunday trophies. Dawn Dunlevy from FeistyFrasierGifts made the dog kitchen towels. The special dog cookies were baked by justlikehomedoggiemotel. And thank you to all of our donors – without you there would be no trophies.*

*We hope you enjoyed our "100 Bottles of Wine on the Wall" drawing. Thank you to our generous club members and Berner friends who donated bottles for our drawing. This helps to offset the cost of hosting a Specialty.*

*Celebrate and share in each other's joy, and remember to follow the Weitendorf's COVID protocol.*

**Effective May 11, 2021**

<b>1 Point</b>		<b>2 Points</b>		<b>3 Points</b>		<b>4 Points</b>		<b>5 Points</b>	
Dogs	Bitches	Dogs	Bitches	Dogs	Bitches	Dogs	Bitches	Dogs	Bitches
2	2	5	5	7	7	12	12	21	22

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included.

Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

Grand Championship points may be recorded for: Best of Breed or Best of Variety of Breed, Best of Opposite Sex to Best of Breed or Best of Variety of Breed, Select Dog and Select Bitch. Grand Championship points for a dog awarded Best of Breed or Best of Variety of Breed shall count all eligible dogs of both sexes entered in Best of Breed or Best of Variety of Breed competition in addition to the dogs that competed in the regular classes for both sexes in calculating Grand Championship points.

Grand Championship points for a dog awarded Best of Opposite Sex to Best of Breed or Best of Variety of Breed shall count all eligible dogs of their sex competing in Best of Breed or Best of Variety of Breed competition in addition to the dogs that competed in the regular classes for their sex in calculating Grand Championship points.

Grand Championship points for a dog awarded Select Dog or Select Bitch shall count all eligible dogs of their sex defeated in Best of Breed or Best of Variety of Breed competition in addition to the dogs that competed in the regular classes for their sex in calculating Grand Championship points.

## **Bernese Mountain Dog Breed Standard**

### **General Appearance**

The Bernese Mountain Dog is a striking tri-colored large dog. He is sturdy and balanced. He is intelligent, strong and agile enough to do the draft and droving work for which he was used in the mountainous regions of his origin. Dogs appear masculine, while bitches are distinctly feminine.

### **Size, Proportion, Substance**

Measured at the withers dogs are 25 to 27-1/2 inches, bitches are 23 to 26 inches. Though appearing square, Bernese Mountain Dogs are slightly longer in body than they are tall. Sturdy bone is of great importance. The body is full.

### **Head**

Expression is intelligent, animated and gentle. The eyes are dark brown and slightly oval in shape with close-fitting eyelids. Inverted or everted eyelids are serious faults. Blue eye color is a disqualification. The ears are medium sized, set high, triangular in shape. Gently rounded at the tip, and hang close to the head when in repose. When the Bernese Mountain Dog is alert, the ears are brought forward and raised at the base; the top of the ear is level with the top of the skull. The skull is flat on top and broad, with a slight furrow and a well-defined, but not exaggerated stop. The muzzle is strong and straight. The nose is always black. The lips are clean and, as the Bernese Mountain Dog is a dry-mouthed breed, the flews are only slightly developed. The teeth meet in a scissors bite. An overshot or undershot bite is a serious fault. Dentition is complete.

### **Neck, Topline, Body**

The neck is strong, muscular and of medium length. The topline is level from the withers to the croup. The chest is deep and capacious with well-sprung but not barrel shaped ribs and brisket reaching at least to the elbows. The back is broad and firm. The loin is strong. The croup is broad and smoothly rounded to the tail insertion. The tail is bushy. It should be carried low when in repose. An upward swirl is permissible when the dog is alert but the tail may never curl or be carried over the back. The bones in the tail should feel straight and should reach to the hock joint or below. A kink in the tail is a fault.

### **Forequarters**

The shoulders are moderately laid back, flat-lying, well muscled and never loose. The legs are straight and strong and the elbows are well under the shoulder when the dog is standing. The pasterns slope very slightly but are never weak. Dew claws may be removed. The feet are round and compact with well-arched toes.

### **Hindquarters**

The thighs are broad, strong and muscular. The stifles are moderately bent and taper smoothly into the hocks. The hocks are well let down and straight as viewed from the rear. Dew claws should be removed; feet are compact and turned neither in nor out.

### **Coat**

The coat is thick, moderately long and slightly wavy or straight. It has a bright natural sheen. Extremely curly or extremely dull-looking coats are undesirable. The Bernese Mountain Dog is shown in natural coat and undue trimming is to be discouraged.

### **Color and Markings**

The Bernese Mountain Dog is tri-colored. The ground color is jet black. The markings are rich rust and clear white. Symmetry of markings is desired. Rust appears over each eye, on the cheeks reaching to at least the corner of the mouth, on each side of the chest, on all four legs, and under the tail. There is a white blaze and muzzle band. A white marking on the chest typically forms an inverted cross. The tip of the tail is white. White on the feet is desired but must not extend higher than the pasterns. Markings other than described are to be faulted in direct relationship to the extent of the deviation. White legs or a white color are serious faults. Any ground color other than black is a disqualification.

### **Gait**

The natural working gait of the Bernese Mountain Dog is a slow trot. However in keeping with his use in draft and droving work, he is capable of speed and agility. There is good reach in front. Powerful drive from the rear is transmitted through a level back. There is no wasted action. Front and rear legs on each side follow through in the same plane. At increased speed, legs tend to converge toward the center line.

### **Temperament**

The temperament is self-confident, alert and good natured, never sharp or shy. The Bernese Mountain Dog should stand steady, though may remain aloof to the attentions of strangers.

**Disqualifications:** blue eye color; any ground color other than black.

**Approved February 10, 1990**

**Effective March 28, 1990**

### **SWEEPSTAKES ~ Puppy & Veteran**

**PUPPY:** Open to all Bernese Mountain Dogs 6 months of age and under 18 months of age, on the day of the show. Puppy sweepstakes entries **MUST BE** entered in a regular class.

**VETERAN:** Open to all Bernese Mountain Dogs 7 years or older on the day of the show. Veteran Sweepstakes is open to neutered dogs and spayed bitches. Veteran Sweepstakes entries do not need to be entered in a regular class.

## AKC Code of Sportsmanship

*PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- *Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.*
- *Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.*
- *Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.*
- *The sportsman judge judges only on the merits of the dogs and considers no other factors.*
- *The sportsman judge or exhibitor accepts constructive criticism.*
- *The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.*
- *The sportsman exhibitor refuses to compromise the impartiality of a judge.*
- *The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.*
- *Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.*
- *Sportsmen welcome, encourage and support newcomers to the sport.*
- *Sportsmen will deal fairly with all those who trade with them.*
- *Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.*
- *Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.*
- *Sportsmen always consider as paramount the welfare of their dog.*
- *Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.*
