### **Mountain Dog Club of America Draft Test Purpose**

The Bernese Mountain Dog Club of America Draft Tests are a series of exercises designed to develop and demonstrate the natural abilities of purebred Bernese Mountain Dogs in a working capacity involving hauling. The Bernese Mountain Dog has historically functioned as a draft dog in various capacities, and performance of these exercises is intended to demonstrate skills resulting from both inherent ability and training which are applicable to realistic work situations. Efficiency in accomplishment of tasks is essential. It is also desirable that the dog evidence willingness and enjoyment of his work in a combination of controlled teamwork with his handler and natural independence.

- A separate entry form must be filled out for each dog of a brace team and then submitted together. Even though two entry forms are required for each brace team, each brace team will be counted as one entry in the Draft Test entry limit.
- If more than 24 entries are received, they will be prioritized per the following order:

  4. Untitled other dogs in the entered class
  5. Titled other dogs without Advanced/Master titles in the entered class
  6. Titled other dogs with Advanced/Master titles in the entered class

- *Note that "titled" means titled in the entered class.*
- Running Order: A separate random draw to determine the running order for each class for each test.
